

Project Manager – Civil Engineering

Becher Hoppe is seeking a transportation Civil Engineer / Project Manager, with 5 or more years of experience in highway and street design for public and/or private sector work. Experience preparing scopes, schedules, and budgets for projects is required.

We're seeking someone who has previous project management experience, and a helpful, team-oriented spirit. If you're looking for an opportunity to step up and make an immediate contribution to our team and our clients, please send us your resume and cover letter.

Becher Hoppe is a 20-person engineering and survey firm located in beautiful downtown Wausau. The area has a thriving entertainment scene and offers a wide array of recreational opportunities.

The position will involve highway, and/or street design, along with a general civil design; preparing scopes, schedules, and fees for services; permitting; preparing client contracts; marketing future work opportunities; and maintaining strong client relationships. You must have clear and concise written and verbal communication skills with a demonstrated ability to coordinate meetings, conduct effective client presentations, and prepare written reports.

Qualifications

- Bachelor's degree in Civil Engineering and a registered professional engineer.
- Proficiency with Microsoft Office
- Experience with Autodesk Civil 3D.
- Valid driver's license
